SUMMER 2017 EXTERNSHIP INFORMATION MEETING

Wednesday, February 8

12-1:15pm - Room 424

Work in the field for dynamic practice experience...gain valuable mentorship and real-world skills...reflect and learn in the co-requisite seminar...create contacts and references for your job search...

Externships are a great option in the summer for students who don't have paid or stipended positions and will be rising 2Ls, 3Ls or LLM students in the summer.

Students secure their own positions in the following areas with assistance and resources from the Externship Program:

- Public Sector (nonprofit, judicial, government)
- In-house counsel (work for a lawyer within a company)

There is a \$250 administrative fee in summer. Students may apply for financial aid. There is no tuition charged for taking the externship course.

Required hours are 20 hours/week for 8 weeks (although most students decide to work full-time to get a deeper experience and more responsibility).

Course information and resources for how to find a position will be posted in the Symplicity Document Library.

Contact Jenn Kim at jennifer.kim@yu.edu or Linda Falk at linda.falk@yu.edu regarding any externship issues.
